

## Additional Info

Are you like many Christians, frustrated with your current finances? My guess is yes for most of you. Do you ever wonder why or are you ever bothered by your finances not being what they should be or what you've hoped them to be? Do you ever wonder why our nation's financial system goes from boom to bust so quickly and so often?

But more importantly do you know why things are they way they are?

If you answered yes to any of these, then let me reveal to you the true and simple reason why.

You've been duped, led astray and bought into a worldly and pagan financial system that is based on what God calls "diverse weights and diverse measures" and says is "an abomination to Him." A system that:

Intentionally manipulates the value of your investments.

Is based on and promotes debt, unnecessary spending, greed and discontentment.

Creates money out of thin air and expects you to pay it back with real money plus interest.

Drives up your taxes.

Devalues the dollar and causes inflation...meaning you have to earn more in the future to keep up with up rising prices... ultimately making it harder for you and your family to make ends meet, save your money and create biblical wealth.

### **I Was Overcome By The Lust Of The Flesh, The Lust Of The Eyes And The Pride Of Life**

Now don't feel bad, I too was duped and led astray and bought into all the worlds investment "plans" (stocks, bonds, mutual funds, IRA's, 401K's, debt is ok so go ahead and mortgage your house to the hilt, etc.). Sadly many "Christian Financial" advisors and ministries recommend the same worldly schemes and go right along with the worldly monetary system that God clearly opposes.

Now it wasn't the corrupt and unrighteous systems fault, it was my fault for falling prey to it...**For not knowing the difference between righteous money and unrighteous money.**

So I went back to the Word of God to find out what He really says about money. Not just about being in debt and being a good steward, but about what He calls honest money. It wasn't until I understood what He considered honest money i.e. "just weights and measures" was and then compared it to our monetary system that I realized I was duped. When I realized I had fallen prey to the system...I WAS MAD BECAUSE I HAD BEEN HAD!

**I've vowed that this will not happen again to me and my family. I will not be in bondage to a secular, worldly, corrupt, dishonest and unrighteous monetary system.**

**What I discovered** in God's Word is that true wealth...true biblical wealth is not made up of debt, mortgages and stock market investments. True biblical wealth is not about doing puts, calls and options on stocks that take advantage of another person or share holder. True biblical wealth is not about storing up treasures on earth.

**From what I can see, true biblical wealth is made up of "God created things."**

I call this approach, [The Solomon Principle](#). It was with God's blessing and His will that these "God created things" made both Abraham and Solomon wealthy. I call them the 6 L's of Wealth™. They are:

**Labor**, for it is from "tilling the land" with a "diligent hand" that creates wealth in the first place. If one does not labor, then they can not earn.

**Land** that produces food and/or an income.

**Loot** like gold and silver that protects against inflation and can serve as a medium of exchange when the all worldly currencies collapse.

**Livestock** that gives your family food and/or provides a source of income.

**Legacy** that you leave to your family..."A wise man leaves an inheritance to his children's children."

**Love**

that is demonstrated by giving to others in need, not storing up unrighteous mammon, but being a good steward with what God has given you and passing those blessings on to others.

**God certainly revealed some things to me that I had not seen before. Now I want to share these personal discoveries with you and others.**

**My goal is to help you:**

Understand the difference between righteous money and unrighteous money

Come out from underneath the

burden and bondage of debt

To not be unequally yoked with a secular lender or financial institution

To live

frugally...not miserly

To be more wise with the resources God has blessed you with

Give Much More To The

Body of Christ And Others In Need

Stop worrying and being discouraged about your finances and instead

have peace and contentment when it comes to your finances

Plan for your future and your children's future

To be prepared in case of personal emergency or national and societal emergency

Pay off your mortgage

sooner rather than later

My professional background is that of a [Mortgage Analyst](#). Over the years I have analyzed hundreds of mortgages for clients. My ultimate goal was always to help them get the best mortgage for accomplishing their financial goals.

**I want to give you the best unbiased and biblical advice when it comes to a home mortgage.**

I am sure there must be someone else out there that does what I do, but I have yet to come across that person. But as of right now I have found no one who does what I do for the Body of Christ when it comes to mortgage advice and counseling.

**The Financial System Will Likely Get Worse In The Coming Years.**

**Are You Prepared?...Are You Preparing Your Children?**

**Join The Christian Economic Report Today  
And You Can Start Preparing NOW!**

**The Basic Membership Is FREE!**

**Brothers and Sisters you must realize that:**

Debt is never ending and perpetual

Debt and lack of contentment go together

Debt brings financial and spiritual bondage

Worldly investing schemes (Wall St. stocks, bonds, mutual funds, IRA's, 401K's, etc.) are plaguing Christians and society. As Christians, we should seek to avoid these worldly pursuits and pursue things of eternal value.

**Fortunately, The Good News Is...**

There are many things that you can start doing now that will enable you to be a better steward of the resources that God has given you and that will prepare you to be more secure financially, economically and personally for the future...Whatever it may hold!

With your membership to The Christian Economic Report you will gain access to hundreds of reports, articles and tips to help you and your family to be prepared economically.
